Request For Public Comment Upon Issuance Of Written Determination For The  
Recycling Of Hazardous Waste

The Nevada Division of Environmental Protection (NDEP) is requesting public comment upon the DRAFT WRITTEN DETERMINATION (WD) for a hazardous waste recycling facility owned and operated by Reno Drain Oil (RDO) Environmental Services, 11970 I-80 East, Sparks, Nevada.

The WRITTEN DETERMINATION will recognize RDO as a facility for the recycling of hazardous used oil and oil-contaminated wastewater from California in accordance with NAC 444.8455. The facility currently operates a facility for the recycling of "non-hazardous" used-oil from Nevada sources.

The public is invited to submit written comments on this DRAFT WRITTEN DETERMINATION to the following NDEP contact person during the 45-day comment period ending October 7, 2003:

Mr. Jeff Denison, P.E.  
Nevada Division of Environmental Protection  
333 W. Nye Lane, Room 138  
Carson City, NV 89706-0851  
(775) 687-9465  
[E-mail: jdenison@ndep.nv.gov](mailto:jdenison@ndep.nv.gov)

The RDO contact person is:

Richard Channel  
RDO Environmental Services  
11970 I-80 East  
Sparks, NV 89434  
(775) 342-0351

The application submitted by RDO for the WRITTEN DETERMINATION is available for public review between the hours of 8:00 AM. and 5:00 PM., Monday through Friday, at the NDEP address above. Further information may be obtained by calling Jeff Denison at (775) 687-9465 or e-mail at <mailto:jdenison@ndep.nv.gov>

Anyone wishing to submit comments on this DRAFT WRITTEN DETERMINATION should do so in writing on or before October 7, 2003 to NDEP at the Carson City address above. An extension of the 45-day comment period may be granted if the request for the extension adequately explains why more time is required to prepare comments.

All comments will be addressed in the Administrative Record. A final decision to issue or not issue the WRITTEN DETERMINATION will be made after all comments have been considered. Notice of the final decision shall be sent to each person who has delivered written comments or requested to be on the facility mailing list. The decision will become effective 30 days from the date of issuance unless:

1. A later effective date is specified in the decision; or
2. There is an appeal of the Administrator's decision to the State Environmental Commission pursuant to NRS 445.274; or
3. There are no comments, in which case the final decision shall become effective immediately upon issuance.

Please bring the foregoing notice to the attention of all persons whom you believe would be interested in this matter.
